Truth Stranger than Fiction!

READ AND BE WISE.

If, in the course of human events, it becomes
necessary to use Stories and Dialogues in
bringing the advertisement of goods to the notice
of the public, it will be done in such a way as to
leave nothing behind in the march of time. I
will step into the ranks to tell my numerous
customers, and you in general, in good time,
that what we do have we will sell
you at its value, and give you a small
allowance for profit. That is not true and would
not agree with the heading of this article; but
we will charge you a living price.

True, we have No Hoop Skirts or Bazaar, Bed
Sheet, Laundry, Hair Dresser, Toy Drives,
and many other articles.

you at its value, and give you a small
allowance for profit. That is not true and would
